

## Industrial Day – Project Submission Form

Please complete this form to provide information about the projects your company will present during Industrial Day. This information will help us organize and communicate available Master's Thesis (TFM) opportunities to students.

<b>Company Name</b>
Hospital Sant Joan de Déu – 3D4H Unit

<b>Project Title</b>
Strategies for Recovery and Reuse of 3D Printing Materials

<b>Project Description</b>
Technical and experimental exploration of feasible recycling pathways for PLA and other materials used in the unit, such as grinding, regeneration, extrusion, or alternative valorization methods. The project includes feasibility analysis, environmental impact evaluation, and the design of procedures compatible with a hospital environment, supporting sustainability and circular-economy objectives.

<b>Responsible Person</b>
Martí Engli Rueda
