

CRITERIA FOR DETERMINING THE ORDER OF ASSIGNMENT OF PLACES TO OUTGOING BACHELOR'S DEGREE STUDENTS

Mobility places are assigned according to a set of criteria. Each application and option will be considered as the sum of the following points:

- 1) Average weighted mark for all of the subjects in the academic record that have a mark, which favours students who pass subjects in the established time frame.** (Academic Management is responsible for this calculation.)

Formula:

$$\bar{N} = \left(\frac{1}{n} \sum_{i=1}^n \alpha_i \right) * N$$

α_i = performance of the student per term, as reflected in the academic record

N = average mark in the academic record

2) Knowledge of foreign languages

- ✓ Students who provide official proof of their knowledge of a foreign language. (Only official examination certificates in the UPC's [certificates table](#) will be accepted.)
 - Level equivalent to B2.2: 0.50 points
 - Level higher than B2.2: 0.75 points
 - Other languages (minimum level B2.2): 0.25 points for each language
- ✓ Students who have passed subjects taught in English. **(These points are not added to the previous points for English.)**
 - From 18 to 30 ECTS credits: 0.5 points
 - More than 30 ECTS credits: 0.75 points

3) Number of credits passed when a place is applied for at the EEBE

- ✓ More than 143 ECTS credits (24 subjects): 1 point
- ✓ More than 113 ECTS credits (19 subjects): 0.5 points

4) Participation in the SALSA'M programme

- ✓ 0.25 points per term, if the assessment of the activity was satisfactory.

5) In the process of assigning places, applications from the following will not be considered:

- I. Students who have an average mark in their academic record (N) of less than 5.
- II. Students who accepted a mobility place awarded to them in a previous call but did not carry out the exchange and had no justifiable reason not to do so.
