- When you click on a group of practices e.g M11, M12 or M14, the associated theory group e.g M1 will also be shown. The schedule of the selected group of practices and theory will be automatically displayed at the bottom of the screen.

The screenshot displays the 'TIMETABLE VIEWER' for the 'Course 2019/2020. Autumn Quarter'. The interface includes a sidebar with filters and a main grid of subjects. The 'MOVEMENT SIMULATION' group is selected in the sidebar. The main grid shows a grid of subjects, with 'FP' and 'SM' groups highlighted in green. Below the grid, the 'Selected groups' section shows 'FP' and 'SM' groups, with 'M2' and 'M1' groups also highlighted in green. The bottom section shows a weekly schedule for Monday through Friday, with the 'SM - M11 (1)' group highlighted in green on Thursday.

TIMETABLE: The schedule of the selected subjects will be automatically displayed at the bottom of the screen.

7. **“OW” or “EW” on the practices groups means that they are held every two weeks.**
8. **Delete subjects and groups** by clicking on the cell.
9. Check there are no overlaps among subjects.
10. Bear in mind the **number of the classrooms** where lessons will take place. E.g **“A2.12”**: **“A”** is the building (all lessons will take place at building A), **“2”** is the floor and **“12”** is the classroom.
