

CRITERIA FOR DETERMINING THE ORDER OF ASSIGNMENT OF PLACES TO OUTGOING MASTER'S DEGREE STUDENTS

Mobility places are assigned according to a set of criteria. Each application and option will be considered as the sum of the following points:

1) Entrance mark for the master's degree

2) Knowledge of foreign languages

Students must provide official proof of their knowledge of a foreign language. (Only official examination certificates in the UPC's [certificates table](#) will be accepted in French, German and Italian.)

○Level equivalent to B2.2: 0.50 points

○Level higher than B2.2: 0.75 points

In the process of assigning places, applications from the following will not be considered:

- I. Students who have an average mark in their academic record of less than 5 when the places are assigned.
- II. Students who accepted a mobility place awarded to them in a previous call but did not carry out the exchange and had no justifiable reason not to do so.
- III. Students who accepted a mobility place awarded to them in a previous call but withdrew before or during the exchange and had no justifiable reason to do so.
